

Vision

FUTURE

The CTS is the leading driver of interdisciplinary research, education and active exchange with society and business.

PRESENT

We foster diverse collaborations on key challenges facing society and support interdisciplinary, participatory, innovative research and knowledge transfer through networking and coordination.

Mission

PATH

The CTS focuses on interdisciplinary and intersectional exchange and promotes this through diverse collaboration, education and communication initiatives.

Strategy

Values

BASIS

sustainable, interdisciplinary, open, together, progressive, diverse, critical
